

TRUVISION

If you have Arkansas Blue Cross Blue Shield (or other eligible health insurance), you are eligible to receive a 40-60% discount on your Refractive Procedure. In order for you to receive the discounted rate, you must follow the instructions below and in their entirety.

- Call TRUVISION at (877) 644-2020 and advise the Representative that you have been scheduled to have LASIK.
- You will be asked to pay a deposit. The amount of your deposit depends on your policy. The Representative will tell you how much your deposit is.
- If you are interested in financing your procedure, now is the time to tell the Representative that you would like them to get you pre-approved for financing. You will be financing through a company called Care Credit, and there will be an Administrative fee of \$150 to use this service.
- If you are planning on paying for the balance of your procedure (\$1,490-\$2,240) by personal credit card, or cashiers check (personal checks are NOT accepted), you will need to fax and or mail your payment to Laser Vision Centers at the address listed on the form. The fax number is (314) 523-8270.
- YOU DO NOT PAY DR. BROWN ANYTHING. All payments are taken by TRUVISION and LASER VISION CENTERS.
- Your TRUVISION Form must be signed by you and your Refractive Coordinator signifying your decision to have either Traditional or Custom LASIK and then faxed to the number on the bottom of the form. The number is (888) 929-4498.
- The Additional Terms and Conditions sheet requires your signature as well. This form must be brought with you to our office on the day of your procedure (along with your Consent Form) to be kept in your chart for future reference should you need an enhancement.

****If you should have any questions at anytime throughout this process, Dr. Brown and his Staff are here to help! Do not hesitate to call our office and ask to speak with a Refractive Coordinator. We are more than happy to assist you in any way we can!***
